

**TOMORROW'S TECHNOLOGY TODAY.
PROVIDING SOLUTIONS FOR YOUR FUTURE.**

A.W. Chesterton Company is one of the largest international manufacturers of industrial fluid sealing, engineered polymer solutions and maintenance products. Since 1884, we have worked with customers to provide the solutions that help industry run more reliably, efficiently and economically.

The company's integrated services, depth of industrial knowledge and sophisticated product research and design, help to maintain its prominence in the industrial environment and global marketplace. Chesterton takes great pride in knowing that its products are setting the standards for performance, innovation and reliability around the globe.

FOSSIL POWER
ADVANCED TECHNOLOGY SOLUTIONS
